

Quick Guide to Fees (October 2016 – September 2017)

Your membership fees go to a number of organisations:

- **Archery GB** for your insurance – you can't shoot at Norton Archers without this, and it also gives you the opportunity to claim (free!) awards from certain competitions.
- **Durham and Northumberland Archery Association (DNAA)**, which is the county our club falls within, and the fees help to fund county competitions and events such as junior and senior coaching days. DNAA have waived the membership fees for juniors in the 2016-2017 membership year.
- **Northern Counties Archery Society (NCAS)**, which is the *region* our club falls within, and the fees help to fund regional competitions and events (the club will cover NCAS fees for juniors in the 2016-2017 membership year as NCAS is running a flat rate for junior clubs this year).
- **Norton Archers** to help us buy bosses, contribute to the running of the sports complex and whatnot!

DNAA and NCAS have flat yearly fees but those for Archery GB follow a half-yearly structure and those for Norton Archers follow a quarterly structure, with the year running from October to October (we collect fees for the next year in August/September as they have to be sent to Archery GB by October). So...

For people joining in October – December

	Seniors (25+)	Seniors (18 years – 24 years) and Archers with Disabilities	Juniors (8 years – 17 years)
Archery GB membership	£42.00	£10.50	£10.50
