The weather was very good to us, considering what was to follow. Sunny at first then overcast later in the day with the wind freshening. An all together good day.

Thank you all for coming and shooting at Norton. We enjoyed your company

Thanks to all who helped during the shoot. A special thanks to Norton Archers for allowing us to host the Tyne/Tees shoot at their ground, Alex Smith for all his help and advice, Lisa and Elaine our Lady Paramounts(who also kept us well provisioned during the day), and finally our Judge Ken who did a splendid job.
